

Preliminary list of participants - 13/04/2026

ABA - INVEST IN AUSTRIA

You are thinking about starting a business in Austria. The team of ABA – Invest in Austria will support you

Austria

MAGNA STEYR FAHRZEUGTECHNIK GMBH & CO KG

We engineer, qualify, and manufacture - cryogenic fluid storage and transfer solutions for aviation and space applications - Mechanisms for space applications

Austria

TTTECH COMPUTERTECHNIK AG

Network technologies critical field. Distributed and embedded computing, and networking. System and fault-tolerant platforms for aircraft communication. Shelf software.

Austria

NIKON METROLOGY NV

Nikon Metrology designs and delivers high-precision measurement solutions for industrial inspection and dimensional control.

Belgium

SMART STORAGE SOLUTIONS - CRIBMASTER

Smart Storage Solutions / CribMaster is a global leader in inventory management and automated dispensing systems for industrial, aerospace, space and defense sectors.

Belgium

BIZU TECNOLOGIAS AEROSPACIAIS E SERVIÇOS LTDA

BIZU is an aerospace company using rocket technologies to build a bridge between Brazil and space

Brazil

ACTIA AEROSPACE

specialized in the design, manufacture, maintenance and operation of electronic and computer systems adapted to the automotive, aeronautical, defense and telecommunications sectors.

France

ADDUP SAS

The Michelin Group and the Fives Group join forces and create FIVES MICHELIN ADDITIVE SOLUTIONS to become a major metal 3D printing player

France

AXON' CABLE SAS

Axon' design and manufacture innovative cabling, interconnect solutions, cable assemblies, connectors and mini systems for high tech applications.

France

BERTIN ALPAO S.A.S.

ALPAO designs and manufactures a complete range of adaptive optics components and systems for use in research and industry. Our product's unrivalled performance enables users to recover very high-resolution images.

France

CNES - CENTRE NATIONAL D'ETUDES SPATIALES

The Centre National d'Etudes Spatiales (CNES) is the government agency responsible for shaping and implementing France's space policy in Europe.

France

CNRS

Since it explores all fields of science, research at the CNRS is intrinsically multidisciplinary

France

EC INTERNATIONAL FRANCE SAS

Prototypes and low volume production in metal and plastic

France

FLEURET

the FLEURET company designs and manufactures bespoke technical containers

France

MATRA ELECTRONIQUE

MATRA Electronics is positioned as a supplier able from specifications to design, build, integrate and accept full of electronic equipment.

France

MICROWAVE VISION

Cutting-edge technologies for the visualization of electromagnetic waves

France

PROTOLABS

Digital Manufacturing Designed for You

France

Preliminary list of participants - 13/04/2026

RIDE! SPACE

RIDE!space is a digital global leader of rideshare launch, deployment systems and convenient access to space for the small satellites.

France

SAFRAN SPACECRAFT PROPULSION

Spacecraft Propulsion

France

SOLUTIONS CONNEKTICA FRANCE

Information technology systems and software consulting services

France

THALES SIX GTS FRANCE SAS

Information systems for aerospace

France

ASPHERICON GMBH

Asphericon is a company specializing in the design and precision manufacturing of high-quality aspheric optical components and systems for industries such as photonics, laser technology, and aerospace

Germany

EDMUND OPTICS GMBH

Edmund Optics is a global provider of precision optical and photonics components that can also be used in space and aerospace applications such as imaging, sensing, and satellite systems

Germany

EOS GMBH - ELECTRO OPTICAL SYSTEMS

EOS provides responsible manufacturing solutions via industrial 3D printing technologies to organizations around the world

Germany

KREMPEL GMBH

Production of Composites Materials, Composites Parts, Electrical Insulation Materials, Special Laminates, Injection and press moulded parts

Germany

OHB SYSTEM AG

European space and technology group

Germany

TANIOBIS GMBH

The unique properties of tantalum and niobium always inspire anew. These materials are our passion, and we are one of the leading suppliers of high-quality tantalum and niobium powders

Germany

L&T TECHNOLOGY SERVICES LTD

LTTs specializes in digital engineering, product design, and manufacturing innovation, helping clients accelerate their transformation journeys.

India

SONA SPEED PRIVATE LIMITED

Specialised in design, development and manufacturing in the Electronics, Electricals and Heavy Machineries.

India

2NDSpace

At 2NDSpace, we are a fast-growing company dedicated to designing and manufacturing advanced nanosatellite subsystems and CubeSat platforms

Italy

ADDIVATE SRL

manufacture of high-performance components, with superpolymer materials through additive printing

Italy

AENCOM

Fully integrated solutions for Aero-Engines Components, sub-assemblies and equipments. From Design to full rate Production.

Italy

AIAD - ITALIAN INDUSTRIES FEDERATION FOR AEROSPACE, DEFENCE AND SECURITY

Italian companies for Aerospace, Defense and Security

Italy

AIRBUS ITALIA

We pioneer sustainable aerospace for a safe and united world

Italy

AL TI COLOR SRL

Craft expertise since 1996 alongside industrial processes certified in special treatments on titanium, aluminium, steel, carbon and brass.

Italy

Preliminary list of participants - 13/04/2026

ALCA TECHNOLOGY SRL

AlcaSpace, a division of Alca Technology Srl, operates successfully in the design, construction and testing of space simulation chambers of various shapes, sizes, type of cooling system and thermal performances.

Italy

ALFATECH SRL

Surface Treatments - galvanic and chemical

Italy

ALGRA SPA

ALGRA S.p.A. in fifty years of business has acquired leading positions in the precision machining, working as partner with the most important world leaders in energetic sectors, instrumentation and machine tool.

Italy

ALHOF DI A. HOFMANN SPA

ALHOF offers pre-sales technical support in line with the latest market technologies, creating an excellent relationship with the customer and providing a high-level service suited to current market needs

Italy

ALL DATA

T&M instruments, boundary scan, AI

Italy

ALLINOX COMPONENTS SRL

Sheet components for aerospace turbines

Italy

ALTEC SPA

Services for Space: Mission Operation Control Center for satellite, Martina Facilities, Lunar Facilities, Space Data processing

Italy

AMETEK SRL

Taylor Hobson is the world leader in surface and form metrology. We provide contact and non-contact measurement solutions for the most demanding applications on a global basis.

Italy

ANGELANTONI TEST TECHNOLOGIES SRL

Design and manufacturing of high performing climatic chambers to simulate extreme conditions, suitable for products and process development

Italy

APOGEO SPACE SRL

Focused on building a constellation of picosatellites to provide a global telecommunication service for the IoT (Internet of Things), connecting low power and low data rate devices located in remote or poorly connected areas

Italy

APR SRL

Aviation, Defense, Space fluidic equipments

Italy

ARGO DI T.M. FUMAGALLI SRL

Produces quality technical articles in rubber, O-rings and punched gaskets using the most modern production and control technologies.

Italy

ARGOTEC SRL

Argotec is an Italian engineering SME operating in the aerospace field since 2008. Argotec activities provide a wide range of professional and engineering services.

Italy

ASI - AGENZIA SPAZIALE ITALIANA

Italian space agency established as one of the most important global players on the scene of space science, satellite technologies, the development of means to reach and explore the cosmos.

Italy

ASSING S.P.A.

Assing is an Italian company active in the production and distribution of high-tech products and services.

Italy

ASSOCIAZIONE DISTRETTO AEROSPAZIALE PIEMONTE

Cluster aerospace Piemonte

Italy

ATLAS CARBON NEUTRAL SOLUTIONS SRL SOCIETÀ BENEFIT

Sustainability consulting, ESG reporting, digital MRV (space data)

Italy

Preliminary list of participants - 13/04/2026

AUSTRALIAN TRADE AND INVESTMENT COMMISSION (AUSTRADE)

Italy

AVIO AERO

Designs, manufactures and maintains components and systems for civil and military aviation.☒

Italy

BASQUE TRADE AND INVESTMENT - ITALIAN OFFICE

Basque Trade is the one-stop-window for business internationalisation in the Basque Country, where all the technical and economic resources that the Basque Government makes available to Basque companies are accessible.

Italy

BAYKAR PIAGGIO AEROSPACE

Aircraft production and MRO, Engine parts and MRO

Italy

BENOZZI ENGINEERING SRL

High-precision mechanical machining components following the drawing and the requirements of the customer

Italy

BERCELLA SRL

Bercella srl is a leading name in the field of composite materials. Our advanced production system covers the entire chain of activities☒

Italy

BERKEM SRL

Advanced electroplating solutions for high-performance applications. Research, development and production

Italy

BLU ELECTRONIC SRL

Activities within the space & avionics arena's, to develop new business & partnerships, taking advantage from the overlap between the new space economy - looking to low cost missions - and «aeronautic class» products

Italy

BLUE ENGINEERING SRL

Italian company that provides specific services to fields of excellence, such as automotive, railway, aerospace.

Italy

BLUEWIND SRL

Bluewind is an engineering company that provides strategic consultation, electronics, software and development solutions in the automotive, aerospace and medical sectors using diversified technologies and a safety-critical approach.

Italy

BUSON SRL

Buson Srl is an Italian company specialized in high-precision metalworking and integrated manufacturing solutions.

Italy

BYTEST SRL

Services in special processes : Material Testing and Non Destructive Testings -We are an Examination Center of ITANDTB according to EN 4179, we can make NDT personnel training and examination

Italy

C.S.C. S.P.A. - SPECIALSTEELSTOCK

Stockist of plates and round bars in special steels and nickel-based alloys. Welded tubes and welded elbows on request. Cutting service. ISO 9120.

Italy

CAAST SPA

CAAST offers a wide range of products ad materials specifically designed and tested for Offshore platforms

Italy

CARL ZEISS SPA

Distributors/Medical and surgical instruments, equipment and instruments for medical laboratories

Italy

CASTIZE S.R.L.

Engineering, development and supply of machined components obtained by casting technology

Italy

CBS SRL

Since 1989 CBS has been working in the world of advanced composites. Thanks to the high level of Know-How acquired over the years, CBS is now a reference company in the market of composite materials, especially carbon fiber.

Italy

Preliminary list of participants - 13/04/2026

CENTROTECNICA S.A.S.

Lip tables, head expanders, fixtures for vibration tests, accelerometers calibration and the Europe's most comprehensive testing house for vibration and transport tests

Italy

CLUSTER COMET

Italy

COMETEC SRL

COMETEC specializes in the production of carbon fiber rollers for the converting, plastic film, tissue, and nonwoven industries

Italy

COMPOSITEX SRL

Manufacture parts in composite metals for aeronautics and chassis racing cars

Italy

CONFARTIGIANATO

Confartigianato Imprese Veneto is the regional branch of Confartigianato, the largest Italian association representing small and medium-sized enterprises (SMEs) and craft businesses.

Italy

CORALLO SRL

Mechanics

Italy

CSI SPA

Testing, Inspections and Certification

Italy

CTNA CLUSTER TECNOLOGICO NAZIONALE AEROSPAZIALE

National Aerospace Technology Cluster

Italy

DAL BEN S.P.A.

Dal Ben S.p.A. designs and manufactures complex machinery. Backed by strong engineering expertise and advanced production capabilities, the company delivers tailor-made solutions for high-tech and research-driven sectors.

Italy

DASSAULT SYSTEMES ITALIA SRL

Dassault Systèmes, The 3DEXPERIENCE Company, provides businesses and individuals with virtual universes in which to imagine innovations for a sustainable world and economy.

Italy

DAVE SRL

Products and technologies for embedded systems and networking

Italy

DELOITTE LEGAL

Italy

DWAVE SRL

DWave is a center of technological innovation in the field of electronic design.

Italy

DYNAMIC OPTICS SRL

Innovative solutions for deformable optical components and wavefront sensing. Unique innovative transmissive wavefront modulators, ultra-high reflectivity deformable mirrors and solutions for wavefront sensing metrology

Italy

EAS SPA

Design and production of electronic boards and devices

Italy

ECOR SKY SPA

The core business of the company are design and special processes, in particular the welding and the heat treatment on stainless steels, titanium alloys, aluminum and special alloys.

Italy

EIE GROUP SRL

EIE GROUP Srl is an International Engineering, Procurement, Construction & Commissioning (EPCC) Company globally operating for more than 30 years in areas such as Aerospace, Astronomy, Astrophysics, and Big-Science.

Italy

ELAD SRL

ELAD offers data acquisition systems designed and manufactured for high-performance and large-scale scientific experiments.

Italy

Preliminary list of participants - 13/04/2026

ELEXIND SPA

Distributor of instrumentation, materials, and solutions for advanced industries, combining cutting-edge technological solutions, cleanroom components and supplies, and specialized products for the semiconductor sector.

Italy

ELIGIO RE FRASCHINI SPA

Eligio Re Fraschini S.p.A. manufactures tools and parts in composite materials and metals of high quality performance

Italy

ELLE EMME SRL

Integrated and customized mechanical solutions for industrial applications

Italy

ENPHOS SRL

Green Hydrogen Solutions, Energy Storage Systems, Advanced NanoMaterials

Italy

ENSYS

R&D, Electronic, firmware and software design

Italy

ESSETI MECCANICA DI PRECISIONE SPA

Reliable, punctual, complete and certified precision mechanics

Italy

EXPLORER CASES BY GT LINE SRL

The Company is widely recognized as a leading manufacturer of smart transportation solutions

Italy

FABER INDUSTRIE SPA

Faber Industrie is a world's leading company in the design, manufacturing, testing and marketing of high-pressure gas cylinders and systems used for Clean Energy, Industrial and Air Breathing Apparatus

Italy

FAE TECHNOLOGY S.P.A - SB

FAE Technology is an Italian industrial technology group listed on Euronext Growth Milan and a key player in advanced electronics and space technology solutions.

Italy

FLUID WIRE ROBOTICS SRL

We design and build a new generation of modular, high-reliability, high-performance space robotic arms, using our proprietary remote-electric actuation architecture

Italy

FOMAP SRL

Engineering, procurement & construction of mechanical flight hardware and MGSE

Italy

FOMAS SPA

FOMAS Group manufactures forgings and seamless rolled rings, in any type of steel and non-ferrous alloys.

Italy

GAMBA STAMPI SRL

Gamba Stampi specializes in the design and construction of aluminium die-casting moulds, trimming tools, moulds for the production of parts made of magnesium and other alloys.

Italy

GVZ COMPONENTS SRL

Distribution and production of OEM sensors and components for automotive, aerospace and HVAC applications

Italy

HYPERMETEO SRL

Hypermeteo is an innovative start-up which gathers and processes high-quality, high-resolution, high-precision weather data taken from the global observation set.

Italy

ICE - ITALIAN TRADE AGENCY

Promotion of international activities

Italy

INAF - ISTITUTO NAZIONALE DI ASTROFISICA

RESEARCH ORGANISATION

Italy

INTEGRA MECH

Integra Mech Project involves five SMEs from the metalworking sector. They share strong technical expertise, certified quality in both processes and products, synergy among complementary operations and operational flexibility.

Italy

Preliminary list of participants - 13/04/2026

IRCA SPA - ZOPPAS INDUSTRIES ITALY

Zoppas Industries Heating Element Technologies boast an experience of over 50 years in design and production of heating elements and systems, even completed with thermal controls for domestic and industrial applications.

Italy

IRCA SPA - ZOPPAS INDUSTRIES ITALY

Zoppas Industries Heating Element Technologies boast an experience of over 50 years in design and production of heating elements and systems, even completed with thermal controls for domestic and industrial applications.

Italy

ISOCLIMA SPA

World leader in the market of high-performance transparent. Technologies is committed to the constant pursuit of quality, and a product developed for the personal safety and protection of its customers on Land, Air and by Sea.

Italy

IWZ CERT SRL

CERTIFICATO IWZ – FZCO, shortened to CIWZ, is an independent certification body based in Dubai.

Italy

KOLLMORGEN SRL

Motors, drives, linear actuators, AGV control solutions, and automation platforms

Italy

LABORMET DUE SRL

Labormet Due is one of the most solid commercial structures in Northern Italy in the field of scientific instrumentation for the laboratory and quality control.

Italy

LAGA SRL

Mechanical production die casting extrusion. Guarantee the choice of the best production process for product quality for production process and quality improvements.

Italy

LATOFRES DI PEZZUTTI GIORGIO & C. SNC

Precision mechanics with a high content of experience and innovation

Italy

LEAF SPACE SPA

ground segment services satellite connections

Italy

LEONARDO (AIRCRAFT DIVISION)

Italy

LEONARDO COMPANY

Italy

LEONARDO COMPANY - HELICOPTER DIVISION

Italy

LEONARDO GLOBAL SOLUTIONS

Italy

LEONARDO GLOBAL SOLUTIONS

The main goal of LGS is to create value for the entire Leonardo Group, supporting business with economic efficiency and standardised processes in all lines of service through centralisation of skills and creation of centres of excellence

Italy

LEONARDO SPACE DIV.

Italy

LEVELQUANTUM

levelQuantum develops satellite-based quantum encryption technology that provides unconditionally secure communications for defence, government, and critical infrastructure

Italy

LIKA ELECTRONIC SRL

Innovative rotary and linear encoders for motion control and positioning systems. Since its inception in 1982, Lika develops and manufactures incremental and absolute encoders based on optical and magnetic sensing technologies

Italy

LOMBARDIA AEROSPACE CLUSTER

Lombardia aerospace cluster is a network of companies able to integrate difference competences in the aerospace and aeronautic field

Italy

Preliminary list of participants - 13/04/2026

LOMEC SRL SB

Specialized in high-precision mechanical machining (CNC turning and milling) on metallic materials and light alloys for the aerospace and defense industries.

Italy

M3S ITALIA S.R.L.

Italy

MAROSO SRL

Manufacturing technological systems and autoclaves, giving shape to the ideas of our customers, committing ourselves to guaranteeing efficiency over time. We build the future responsibly, customizing projects and optimizing resources.

Italy

MBDA ITALIA

Specialized in the field of missile systems, defence systems, boasts comprehensive portfolio of technical missiles.

Italy

MEC3D SRL

MEC3D supports manufacturing companies in the production of components and/or assemblies, providing order management services from feasibility study to shipment with an ISO9001 and EN9100 certified quality management system

Italy

MECCANICA DI QUATTRO SRL

HDQ group offers a wide range of services: from the design, the realization of the mechanical parts in subcontracting, through mechanical manufacturing, to the full systems assembly

Italy

MECC-TRE

Mecc-Tre has been operating in the field of precision mechanical machining, specializing in milling and boring, with an innovative and customer-oriented approach

Italy

METASENSING SRL

Radar SAR Technology (Synthetic Aperture Radar)

Italy

MICRA SRL

Precision Machining and Assembly in the Aerospace Sector (and Other Industries)

Italy

MICRO INGRANAGGI SRL

Imaging, designing, and engineering, precision mechanical and electromechanical micro-components.

Italy

MICROTECNICA TREVISANA

Leading company in the production of precision turned metal parts for many different mechanical fields.. Accessories (pipes, valves, etc.); Ball bearings, special models; Turned parts

Italy

MILLTECH SRL

Mechanical parts

Italy

MW.FEP SPA

We provide an ecosystem of electronic services ranging from product engineering, to pcb design, through prototyping, up to production.

Italy

NEW HORIZON SRL

New Horizon is the comprehensive sustainability consulting firm for the Space Economy.

Italy

NORMACHEM S.R.L.

Regulatory and technical consultancy supporting companies in chemical compliance, product safety, environmental sustainability and risk management, with experience across industrial and high-tech supply chains.

Italy

NORTHROP GRUMMAN ITALY

It is an autonomous operating company specialized in Integrated Navigation Systems

Italy

NOVAEKA SRL

Novaeka designs systems for testing rocket engines and develops software to enhance value within corporate structures and products

Italy

O.V.S. VILLELLA SRL

O.V.S. Villella main activities are manufacturing of aerospace structures, sheet-metal, welding, piping, machining, NDI and surface treatments.

Italy

Preliminary list of participants - 13/04/2026

OFFICINA STELLARE SPA

SME leader in the design, development and delivery of complex opto-mechanical systems and instrumentation for both Ground and Space-based applications.

Italy

OFFICINE DAL ZOTTO SRL

We specialize in precision mechanical machining for the space and defense sectors.

Italy

OHB ITALIA SPA

OHB is a recognized national leader in the fields of Satellites & Missions, Earth Observation, Space Situational Awareness (SSA), Space Surveillance and Tracking (SST), Science, Equipment, and Scientific and Planetary Instruments.

Italy

OPTEC SPA

Offering high demanding optical design capability, starting from scratch and coming to prototyping + engineering phases of very complex optical and optoelectronic systems

Italy

PICOSATS

PICOSATS is a company dedicated to the research, development, and commercialization of cuttingedge telecommunications systems for the small satellite market and beyond.

Italy

PIROLLO DANILO

Pirollo Danilo is a leader in the high precision machining sector. We realize personalized solution with the latest technologies.

Italy

PMP SRL

High-precision machining and manufacture mechanical components for a variety of industries by working on different types of materials

Italy

POELIS TECHNOLOGIES S.R.L.

Poelis is an AI-powered platform for managing technical data and generating engineering documentation

Italy

PREMEK HI-TECH SRL - MEDITECH GROUP

With over 48 years of premium expertise in high-precision mechanical machining, we provide complex mechanical components tailored to our customers' specific needs, serving a wide range of high-tech industries.

Italy

PTC - PARAMETRIC TECHNOLOGY ITALIA SRL

Intelligent Product Lifecycle Software e Consulenza

Italy

QASCOM S.R.L

Space and cybersecurity engineering services. Advanced Navigation Systems. Simulation and test systems, Signal Intelligence & Electromagnetic Warfare

Italy

QUINDI SRL

Quindi Production Copilot uses data to detect production events live, act on them automatically, or decide with you how to advance at best.

Italy

REALCABLE SRL

wiring and electrical panels, electromechanical assemblies

Italy

REMAK SRL

Remak operates as a strategic partner in the aerospace sector, providing advanced materials, testing systems, and specialized equipment compliant with the most rigorous international safety and quality standards.

Italy

RENISHAW SPA

Industrial metrology, manufacturing process control, metal 3D printing, angular and linear measurement systems

Italy

RESCOMP ENGINEERING

RESCOMP Engineering is a spin-off from the University of Padova, founded in 2025 and built on decades of research and industrial collaboration in the field of composite materials.

Italy

Preliminary list of participants - 13/04/2026

RGM SPACE

RGM SPACE is a Parts Agency focused on EEE Parts Engineering, Procurement and Testing of Hi-Rel & COTS components with a strong and constantly growing heritage in Space Programs.

Italy

RHEINMETALL ITALIA SPA - PIERBURG PUMP TECHNOLOGY ITALY SPA

As an integrated technology group, Rheinmetall AG, which is listed on the stock exchange, stands for a solid company that operates successfully internationally and is active in various markets with an innovative range of products and services

Italy

SAEN SRL

Since 1971 we craft high-precision mechanical components through co?design, advanced machining and complete assembly and testing.

Italy

SCHURTER ELECTRONICS SPA

SCHURTER Electronics S.p.A. supports innovative SMEs with electronic and electromechanical components and tailored application solutions across multiple industries

Italy

SEMATRON ITALIA

Sematron Italia SRL is the leading representative and distributor company specialized in RF&MW Components and Systems as well as Systems for SATCOM and BROADCAST

Italy

SENECO SCIENCE & TECH

Seneco is a company specializing in the design, production, and distribution of innovative, high-quality automation systems and components, used in both industrial and space sectors to meet the specific needs of various industries

Italy

SERIGROUP SRL

SERIGROUP=PRODUCTION OF PRINTED CIRCUIT BOARDS
SERIBELL=SILKSCREEN FOR INDUSTRIES

Italy

SERVICE GROUP R & D SRL

Funding for R&D Projects Preparation of R&D projects to access National, Regional, and EU funding programs. Preparation of internationalization projects to access financing.

Italy

SERVIZI CONFINDUSTRIA VARESE

Business Consulting and Services

Italy

SIDEIUS SRL

Testing Center, Academy, Certification

Italy

SINERGO SRL

Automation for Space- , Power Electronics-, Power Semiconductor-, E-mobility Industry; Carbon Fiber Electromagnetic Induction Welding Technology and Equipment

Italy

SISTEMI AVANZATI ELETTRONICI SRL

Technological partner for those looking for the expertise of a team of engineers to solve application problems of various kinds

Italy

SMART INDUSTRY SRL

Main contractor for technical, industrial and production solutions. We support companies, organizations and institutions in designing and producing with innovation and sustainability.?

Italy

SMARTCAE SRL

Engineering services Computer Aided Engineering (CAE) Design and production of composites material partes for Aerospace applications

Italy

SOLIANI EMC SRL

Pool of technologically advanced and interconnected companies that supports and innovates all phases of product development: from scanning, to design, up to its manufacturing with the help of 3D printing.

Italy

SPECIAL RUBBER SRL

Specialized in the molding of technical articles in rubber and silicone

Italy

STAM SRL

An engineering and technology consulting firm specializing in space and defense, STAM has 28 years of experience in technology transfer and the commercialization of space assets across various industrial sectors.

Italy

Preliminary list of participants - 13/04/2026

STARTECH TRIESTE SRL

Italy

STELLAR PROJECT SRL

We offer game-changing solutions for light satellites with a high degree of care towards space environmental sustainability.

Italy

SYNAPSES

BlueGPS Real-Time Location Intelligence for MRO Operations
BlueGPS tracks tools, equipment, components, and personnel across MRO hangars in real time.

Italy

T4I - TECHNOLOGY FOR PROPULSION AND INNOVATION

T4i focuses on innovative engines to open unexplored mobility forms to small satellite platforms and unlimited windows to access space.

Italy

TECNOTTICA CONSONNI SRL

Manufacturing of custom optical components for industrial and aerospace applications.

Italy

TELESPAZIO SPA

Telespazio works to bring Space closer to Earth, benefitting citizens, institutions and companies in a variety of sectors

Italy

TELESPAZIO SPA

Telespazio works to bring Space closer to Earth, benefitting citizens, institutions and companies in a variety of sectors

Italy

TELESPAZIO SPA

Telespazio works to bring Space closer to Earth, benefitting citizens, institutions and companies in a variety of sectors

Italy

TELESPAZIO SPA

Telespazio works to bring Space closer to Earth, benefitting citizens, institutions and companies in a variety of sectors

Italy

TELESPAZIO SPA

Telespazio works to bring Space closer to Earth, benefitting citizens, institutions and companies in a variety of sectors

Italy

THALES ALENIA SPACE ITALIA SPA

Critical information systems for defence, aerospace, transport and civil security

Italy

THINKQUANTUM

ThinkQuantum srl is an innovative start-up, spin-off of the University of Padua, with the purpose to offer quantum-based technology solutions for cyber security and communication systems.

Italy

TUBIFLEX SPA

Designing and manufacturing flexible hoses, hose assemblies and expansion joints.

Italy

TXT E-TECH

TXT is an ecosystem of excellence that leverages synergies. They support their customers in understanding the business paradigm that the new approach to digitisation requires, enabling digital innovation.

Italy

UMBRAGROUP SPA

World leader in the production of ball screws for the aeronautical industry and is a company at the forefront of both the aeronautical and industrial sectors.

Italy

UNIVERSITA DEGLI STUDI DI PADOVA

Univeristy

Italy

USTER SRL

Mechanical machining

Italy

VACUUM FAB SRL

Precision mechanics for micropositioning with specialization in vacuum, UHV, cryogenics and space, laboratory and industry.

Italy

Preliminary list of participants - 13/04/2026

VI-DA SRL

VI-DA produces special turned and milled parts in small and medium series, based on the customer's design, managing the entire process from the purchase of the raw material, to the heat and surface treatments, to the delivery of the finished parts.

Italy

VIPACO SRL

Our mission is to produce components that meet customer requirements, at competitive costs and within the planned timeframes, through the use of cutting-edge technologies that respect people and the environment.

Italy

VISION ENGINEERING LTD

Engineering

Italy

VOESTALPINE HIGH PERFORMANCE METALS ITALIA S.P.A.

Metals

Italy

WALTER ITALIA

Production of metal cutting tools for aerospace components

Italy

IHI

Aero-Engines & Space Operations

Japan

JAXA - JAPAN AEROSPACE EXPLORATION AGENCY

The Japan Aerospace Exploration Agency (JAXA) is Japan's national space agency responsible for space and aeronautics research and development. JAXA conducts satellite launches, planetary exploration, Earth observation, and space science

Japan

LETARA LTD

Letara Inc. is a startup from Hokkaido University developing and manufacturing innovative, safe, and cost-effective hybrid propulsion systems for satellites and spacecraft, aiming to revolutionize space mobility with its cutting-edge technology.

Japan

MITSUBISHI HEAVY INDUSTRIES, SPACE SYSTEMS DIVISION

Satellite Launch services with H-IIA and H3 rocket

Japan

PD AEROSPACE LTD

Spacecraft Development Space Travel and Incidental Business Space Transportation.

Japan

WARPSPACE

Warpspace is a private Japanese company developing an inter-satellite / space to ground communication system based on laser communication.

Japan

ORBITSIQ GLOBAL SA

Hybrid connectivity across TN and NTN

Luxembourg

NASRDA - NATIONAL SPACE RESEARCH DEVELOPMENT AGENCY

Space Agency

Nigeria

NIGCOMSAT

NIGCOMSAT offers a range of tailored solutions such as Transponder Lease (C-band, Ku-band, Ka-band and L-band), Broadband Connectivity, Navigation Services, and Satellite Broadcasting.

Nigeria

ASTRONIKA SP. Z OO

Mechanism, mechanical systems, mechanical components

Poland

ASTRONIKA SP. Z OO

Focused on delivering compact, lightweight, and energy-efficient solutions to our customers

Poland

CREOTECH INSTRUMENTS SA

We provide comprehensive electronic device assembly services for clients who require the highest quality and reliability, including those in the aerospace

Poland

FLYFOCUS SP. Z O.O.

We specialize in the design and production of unmanned aerial vehicles for the civilian market and law enforcement.

Poland

Preliminary list of participants - 13/04/2026

WIRAN SP. Z O.O.

WiRan is a design office specializing in high-reliability electronic devices and systems

Poland

SARSAT ARABIA

Satellite manufacturing and Earth observation solutions, including satellite imagery and geospatial analysis.

Saudi Arabia

ALIENA PTE LTD

Space electric propulsion for microsatellites and nanosatellites

Singapore

KOREA AEROSPACE INDUSTRIES ASSOCIATION

MRO

South Korea

KOREA AEROSPACE INDUSTRIES LTD

The leading company in aircraft and military weapon manufacturing in South Korea

South Korea

KOREA ASTRONOMY & SPACE SCIENCE INSTITUT

South Korea

LIG NEX1 CO LTD

Development & production for various weapon systems

South Korea

DHV TECHNOLOGY

DHV Technology is a Spain based international company that designs and manufactures solar panels for space applications and other power subsystems for different platforms

Spain

GMV AEROSPACE AND DEFENCE, SA

Aeronautics, Space and Defense. Information & Communication Technologies (ICT), Transportation.

Spain

INDRA SISTEMAS SA

Leading global technology and consulting companies, world leader in engineering technology for aerospace, defense and mobility business, and that heads digital transformation consultancy and information technologies in Spain

Spain

PLD SPACE

PLD Space develops space technologies to provide suborbital and orbital commercial launch services to payloads and nanosatellites.

Spain

UARX SPACE

an in-space logistics company providing rideshare and dedicated launch services for small satellites, from LEO to the Moon and beyond

Spain

DIAMOND SA

DIAMOND SA is a Swiss-based company with a long experience of specializing in the design, manufacturing and assembly of both standard and custom fiber optic connectors and assemblies

Switzerland

TOTAL MATERIA AG

Total Materia solutions, including Horizon, GreenLine, and Integrator, are used globally to optimize material selection, improve product performance, and facilitate sustainable engineering practices

Switzerland

ATG EUROPE

Established over 50 years ago as an engineering company with a primary focus on the space sector, we have expanded our expertise to the BIG SCIENCE domain since 2022.

The Netherlands

ESA (EUROPEAN SPACE AGENCY)

European Space Agency

The Netherlands

SATSEARCH BV

The global marketplace for space, satsearch features space products,

The Netherlands

TINY TELESCOPE

Tiny Telescope is a space technology startup that develops monolithic telescopes, folded in one single piece of glass.

The Netherlands

Preliminary list of participants - 13/04/2026

TORAY ADVANCED COMPOSITES

Toray Advanced Composites (formerly TenCate Advanced Composites) is a global leader in the development and manufacture of a wide range of advanced composite material solutions for aerospace

The Netherlands

C TECH BILISIM TEK. SAN. VE TIC. A.S.

Turkey

PLAN-S SATELLITE & SPACE TECHNOLOGIES INC

Plan-S designs, manufactures, launches, and operates advanced satellite systems entirely in-house, powered by a world-class dedicated team and fully integrated capabilities across the space value chain.

Turkey

ROKETSAN ROKET SANAYI VE TIC AS

Turkey

TURKISH AEROSPACE INDUSTRIES

Manufacturing, overhaul of aeroengine parts

Turkey

SUPREME COUNCIL OF UKRAINE

Supreme Council of Ukraine, Industrial Policy Committee

Ukraine

ASTROBIT TECHNOLOGIES

In the rapidly advancing New Space industry, Astrobit Technologies is committed to being your reliable and dependable technological partner

United Kingdom

COILCRAFT

Coilcraft is a global magnetic components manufacturer specializing in inductors and transformers - proudly serving a number of industries.

United Kingdom

MINISTRY OF DEFENCE - COMMERCIAL X

Commercial X was a programme set up by the Ministry of Defence (MOD) in 2022. Its mission is to get ground-breaking technologies and innovation into the Ministry of Defence's hands, faster.

United Kingdom

QA SYSTEMS LTD

CASE tools - Other software for software design - Test software - Other tools and software - Training
